#### EXPLANATORY NOTES

##### Introduction

This publication presents statistics of secured housing finance commitments made by significant lenders to individuals for the construction or purchase of dwellings for owner occupation. For detailed information on the scope and coverage of these statistics and definitions of data items refer to the July to September 1984 issues of this publication.

2. While the statistics are described as being for calendar months, it should be noted that:

- for *trading banks*, the data relate to the last Wednesday of the month;
- for *savings banks*, the data relate to either the last Wednesday, seven banks, or the last day of the month, four banks (whose basis of reporting is subject to further negotiations); and
- for *other lenders*, some lenders have accounting periods which do not correspond exactly to a calendar month and their figures are used without adjustment.

##### Break in continuity of series

3. For an explanation of the reasons for the break in continuity of the housing finance series from July 1984 refer to the July to September 1984 issues of this publication.

##### Seasonal adjustment

4. The annual re-analysis of the housing finance series has been carried out for savings banks, trading banks, permanent building societies and other lenders. This included an analysis of the effect of the change in

reporting of trading banks and of the change in coverage for other lenders. Consequently it has been decided to resume the publication of seasonally adjusted series for trading banks and other lenders.

5. Details of methods used in seasonally adjusting original series are given in *Seasonally Adjusted Indicators, Australia* (1308.0).

6. Large fluctuations in series as a result of irregular influences are not removed by seasonal adjustment. Particular care should therefore be taken in interpreting individual month-to-month movements.

#### Unpublished data

7. More detailed classifications of the data in this publication may be made available on request. Generally a charge is made for providing this information. Inquiries should be made to the officer named in the Phone Inquiries section of the inquiries box at the front of this publication or by writing to Private Finance Section, ABS, P.O. Box 10, Belconnen, A.C.T. 2616.
