ABOUT THIS PUBLICATION

This publication is issued each month as a supplement to the annual *Catalogue of Publications and Products* (Cat. no. 1101.0), which lists current Australian Bureau of Statistics (ABS) publications and products and gives brief descriptions (abstracts) of their contents.

A brief description of the contents of, changes to, and other information of interest about new publications and products appears at the back of this publication.

In addition, a *Release Advice* (Cat. no. 1105.0) is issued each Tuesday and Friday listing publications and products released on the day of issue and expected releases on the following four days. The information is also available daily on the ABS Internet service (<http://www.abs.gov.au>).

PUBLICATION PRICES

Prices include postage both within Australia and overseas.

SUBSCRIPTION SERVICE

Clients who wish to receive publications and products on a regular basis may use the ABS Subscription Service.

Clients who already use this service and who wish to change their requirements should quote their client identification number when contacting the ABS. The number is shown at the top left hand corner of the address label used to dispatch publications to clients.

When due, renewal notices are sent to all subscribers. Payments are required in advance and should accompany renewal notices returned to the ABS.

NEW PUBLICATIONS RELEASED DURING DECEMBER 2000

1271.0 Information Paper: *Australian Standard Classification of Education (ASCED), 2000* (\$10.00)

Provides an introduction to the Australian Standard Classification of Education (ASCED). The ASCED is made up of two component classifications, Field of Education and Level of Education. It provides a basis for comparable administrative and statistical data on educational activities and attainment classified by field and level. The publication provides an overview of the development and implementation of ASCED, the structure of the classification, the coding system and the relationship with other education classifications.

1362.2 *Regional Statistics, Victoria, 2001* (\$31.00)

Contains recent summary demographic, economic and social statistics for Victoria's local government areas including population, agriculture and industry, education and training, health, labour force and local government finance statistics. Information is presented in the form of tables of data, graphs, maps and text highlighting the features of each region.
