ABOUT THIS PUBLICATION

This publication is issued each month as a supplement to the annual *Catalogue of Publications and Products* (Cat. no. 1101.0), which lists current Australian Bureau of Statistics (ABS) publications and products and gives brief descriptions (abstracts) of their contents.

A brief description of the contents of, changes to, and other information of interest about new publications and products appears at the back of this publication.

In addition, a *Release Advice* (Cat. no. 1105.0) is issued each Tuesday and Friday listing publications and products released on the day of issue and expected releases on the following four days. The information is also available daily on the ABS Internet service (<http://www.abs.gov.au>).

PUBLICATION PRICES

Prices include postage both within Australia and overseas.

SUBSCRIPTION SERVICE

Clients who wish to receive publications and products on a regular basis may use the ABS Subscription Service.

Clients who already use this service and who wish to change their requirements should quote their client identification number when contacting the ABS. The number is shown at the top left hand corner of the address label used to dispatch publications to clients.

When due, renewal notices are sent to all subscribers. Payments are required in advance and should accompany renewal notices returned to the ABS.

INQUIRIES

For information about ABS statistics and services, please refer to the back of this publication.

| OTHER AGENCIES | |
| 1350.0.65.001 | Experimental Composite Leading Indicator Time Series Data — Electronic Delivery, March Quarter 2001 |
| New Publications Released During May 2001 | |
| 1140.0 | <p>Directory of Electricity, Gas, Water and Sewerage Statistics, 2001 (\$37.00)</p> <p>Contains comprehensive information on sources of electricity, gas, water and sewerage statistics (ANZSIC Subdivisions 36-37) in the public and private sectors. For each identified collection, the directory provides information on the method of collection, data details, geographic coverage, frequency of data availability and other information to help the reader identify the type of statistics available and how to access them. The directory provides useful indexes to help find the information about specific collections.</p> |
| 1346.0.55.001 | <p>Information paper: An Introductory Course on Time Series Analysis — Electronic Delivery, May 2000</p> <p>Describes issues that are relevant to time series analysis in the ABS including: an introduction to some of the theory underlying time series analysis, a discussion of different seasonal adjustment philosophies and issues relating to seasonal adjustment. Exercises and solutions are included.</p> |
| 1369.0 | <p>Occasional Paper: Australian Business Register — A Snapshot, October 2000 (\$19.50)</p> <p>Presents information provided by the Australian Tax Office (ATO), based on data from the Australian Business Register (ABR). The ABR has been developed as part of the introduction of The New Tax System. Data relates to business entities in Australia at 30 October 2000.</p> |
| 4186.0.30.001 | <p>Australian Housing Survey: Confidentialised Unit Record File on CD-ROM, 1999 (\$8,000.00)</p> <p>Contains confidentialised unit record data from the 1999 Australian Housing Survey. The 1999 AHS collected data on the physical characteristics and condition of dwellings, the costs, affordability and adequacy of housing, as well as information on people's recent housing history, changes in household composition over time and the number and characteristics of 'visitors' who regularly stay overnight or on a more extended basis. The file contains no names or addresses and the detail for some items of data has been suppressed or reduced. The file is distributed on compact disk. Subject to the limitation of sample size and the data classifications used, it is possible to manipulate the data, produce tabulations and undertake statistical analyses to individual specifications.</p> |
| 8562.0 | <p>Video Hire Industry, Australia, 1999–2000 (\$18.00)</p> <p>Contains information about the video hire outlets industry. Data includes: industry size; employment; income; expenses; net operating surplus; and industry value added; with breakdowns of key characteristics by business size and by State. Also includes information on rental transactions and membership.</p> |

| 8565.0 | <p>Hire Industries, Australia, 1999–2000, Preliminary (\$17.00)</p> <p>Contains preliminary information about the plant and equipment and household goods hire industry. Summary data includes: number of business and locations; employment; income; expenses; and operating profit.</p> |
| 8926.0 | <p>Health and Community Services Labour Force, 1996 (\$21.50)</p> <p>Highlights the characteristics of the health and community services workforce and presents statistics showing employment by occupation, age, sex, industry, hours worked, birthplace, income and geographic region based on the 1996 Census.</p> |
| 4903.1 | <p>Managing Caring Responsibilities and Paid Employment, New South Wales, October 2000 (\$18.00)</p> <p>Contains data on different working arrangements residents of New South Wales use in order to manage their caring responsibilities and paid employment, including the different working arrangements they would have liked to have used more and the reasons why they could not. Other information includes whether people have changed jobs, quit their job or permanently changed other working arrangements in order to care for someone; become self employed to make it easier to meet their caring responsibilities; and whether caring responsibilities have prevented people from seeking employment. For persons who had caring responsibilities but were not in paid work, data on their main income source is also available. Additionally, for females with dependent children under 15 years, information on the use of maternity leave in the last 5 years was collected.</p> |
| 4904.6 | <p>Leisure and Cultural Participation, Tasmania, October 2000 (\$18.50)</p> <p>Provides comprehensive statistics about leisure and cultural activities that people in Tasmania undertook in their leisure time during the last 12 months.</p> |
| 6295.0 | <p>Information Paper: Implementing the Redesigned Labour Force Survey Questionnaire, 2001 (\$10.00)</p> <p>A redesigned Labour Force Survey (LFS) questionnaire will be implemented in April 2001. This is the first major redesign of the questionnaire since the inception of the monthly survey in February 1978. This information paper will provide users of labour force statistics with information about the redesigned LFS questionnaire, including the changes and additions to labour force statistics resulting from the questionnaire redesign. Changes to Labour Force output products to be introduced from April 2001 will be advised, as well as arrangements for the provision of revised historical data and new data items that will be collected in the new questionnaire.</p> |
