EXPLANATORY NOTES

This publication provides statistics of overseas arrivals and departures during the quarter and year ended December 1968 classified as permanent and long-term movement. Table 1, however, gives a summary of all overseas arrivals and departures including those classified as short-term movement. Statistics of country of birth of arrivals and departures classified as permanent and long-term movement, and of age and marital status of permanent arrivals and departures, are prepared for six-monthly periods. This issue contains details for the six months and year ended December 1968. - See Tables 6 and 7 of this publication.

2. More detailed statistics of short-term movement and of total movement will appear in Part 2 of this publication, to be entitled "Overseas Arrivals and Departures, quarter and year ended December 1968. Part 2. - Total and Short-term movement". Monthly figures of overseas arrivals and departures, classified into permanent, long-term and short-term movements, are also issued, the latest being in respect of December 1968 (see "Overseas Arrivals and Departures - December 1968") issued on 10 February 1969.

3. The statistics of overseas arrivals and departures exclude passengers passing through Australia on board the same ship or on the same flight (variously called direct transit passengers or "through" passengers), passengers on short pleasure cruises in the South West Pacific commencing and finishing in Australia on ships not then engaged in regular voyages, and all air crew and ships' crew.

4. The classification into permanent, long-term and short-term is based on information provided by the traveller on arrival in or departure from Australia. THESE STATEMENTS REPRESENT THE TRAVELLERS' INTENTION AT THE TIME. MANY TRAVELLERS SUBSEQUENTLY CHANGE THEIR INTENTIONS AND THIS MUST BE BORNE IN MIND IN INTERPRETING THE STATISTICS.

5. Permanent movement consists of persons arriving with the stated intention of settling permanently in Australia, and Australian residents departing with the stated intention of residing permanently abroad. Settlers are persons who, on arrival in Australia, indicated that they came intending to settle. Former Settlers are persons who, on departure from Australia, stated that they had come to Australia intending to settle, had stayed for a period of twelve months or more, and were now departing permanently.

6. Long-term movement consists of the arrival of visitors and the departure of residents with the stated intention of staying (in Australia or in a country abroad, respectively) for twelve months or more, and the departure of visitors and the return of Australian residents who have stayed (in Australia or in a country abroad, respectively) for twelve months or more.

7. Short-term movement consists of all other arrivals and departures, including those of Australian troops irrespective of period of stay, and U.S. troops visiting Australia on rest and recreation leave. U.S. troops on rest and recreation leave have been classified for statistical purposes, as short-term visitors travelling to and from Australia by air for holiday purposes, and staying in Australia less than one week and whose country of residence and of embarkation/disembarkation is "Asia-other". (For details see Table 14 of Part 2 - "Total and short-term movement".)

TABLE 8. - OVERSEAS ARRIVALS AND DEPARTURES : PERMANENT MOVEMENT

(i) Settlers Arriving - State or Territory of intended residence

Settlers are asked, on or before arrival, the State or Territory of Australia in which they next intend to stay for twelve months or more. THE STATEMENTS REPRESENT THE SETTLERS' INTENTIONS AT THE TIME AND MAY NOT EVENTUATE. THIS MUST BE BORNE IN MIND IN INTERPRETING THE STATISTICS. The allocation to States and Territories in the table is based on these statements, except that settlers proceeding to the migrant reception centre, Bonegilla, Victoria, are allocated, as far as is practicable, to the State or Territory of their placement from the centre. Statistics on the basis provided are not available for periods prior to 1963.
