LABOUR REPORT.

1950.

No. 39.

PREPARED UNDER INSTRUCTIONS FROM THE RIGHT HONORABLE THE TREASURER

BY

S. R. CARVER, ACTING COMMONWEALTH STATISTICIAN.

PREFACE.

The first Labour Report issued by this Bureau was published in 1912. This Report is the thirty-ninth of the series and deals chiefly with 1950, in addition to providing comparisons for previous years. Some of the tabulations, however, include particulars relating to 1951.

The Report follows the lines of its immediate predecessors in scope and arrangement. The subject-matter has been divided into five Chapters, viz., Retail Prices and Price Indexes; Wholesale Prices and Price Indexes; Wages and Hours; Employment and Unemployment (including Industrial Disputes); and Labour Organizations. The index at the end of the volume will considerably facilitate reference.

In tabulating the results of investigations as to rates of wage, labour organizations, unemployment, industrial disputes, &c., the following grouping has been adopted in this Report:—

Groups of Industries and Occupations.

1.	Wood, Furniture, Sawmills, Tim- ber-works, &c.	VIII.	Mining, Quarrying, &c.
П.	Engineering, Metal Works, &c.	IX.	Railway and Tramway Ser- vices.
III.	Food, Drink, and Tobacco—Manu- facture and Distribution.	X.	Other Land Transport.
IV.	Clothing, Textiles, &c.	XI,	Shipping, Wharf Labour, &c.
V.	Books, Printing, Bookbinding, &c.	XII.	Pastoral, Agricultural, Rural, Horticultural, &c.
Vł.	Other Manufacturing.	XIII.	Domestic, Hotels, &c.
VII.	Building.	XIV.	Miscellaneous.

Secretaries of trade unions and of employers' associations, officials of Commonwealth and State Departments, private employers, retail traders, house agents, and others have readily supplied much information specially for the purposes of this Report, and my thanks are tendered to all who have thus assisted.

Grateful acknowledgment is also made of the continued assistance given by the Statistical Offices in the various States, especially in regard to the collection of retail prices.

I also desire to express my appreciation of the work done in the preparation of this Report by Mr. F. Stewart, B.Com., the Supervisor of the Prices Branch, Mr. T. J. Fallon, B.A., the Supervisor of the Employment and Labour Branch, and the staff under their control.

S. R. CARVER,
Acting Commonwealth Statistician.
