ABOUT THE PUBLICATION

This Special Data Series publication presents details on Private Acute and Psychiatric Hospitals from the 2001–2002 national census of private hospitals.

The 2001–2002 national census of private hospitals used two forms to collect data: PHE1 for private acute and psychiatric hospitals and PHE2 for free-standing day hospital facilities. A copy of the relevant collection form can be provided on request. The form contains definitions which may help you with the interpretation of the data in the tables.

Please note that in each table title, a reference to the relevant question number on the collection form is shown in brackets.

State level data has been provided, where possible, for New South Wales, Victoria, Queensland, South Australia, Western Australia, Tasmania, Northern Territory and Australian Capital Territory.

The associated publications, *Private Hospitals, Australia, 2001–2002* (cat. no. 4390.0), released 31 October 2003 (\$23.00) and *Private Health Establishments, Free-standing Day Hospital Facilities Data Report 2001–2002* (cat. no. 4390.0.40.002), released 9 January 2004 (\$200.00) can be obtained by contacting any ABS office.

Please contact Andrew Cumpsty (1800 806 415) if you would like to find out more about the tables provided herewith or the associated publications.
