INDEX TO SPECIAL ARTICLES AND MISCELLANEOUS MATTER CONTAINED IN PREVIOUS ISSUES.

This index refers to the special articles and other more or less important miscellaneous matters which appeared in previous issues of the Official Year Book, but which, owing to exigencies of space, are either not included, or included in abbreviated form only, in the present issue.

The Roman figures indicate the number of the Year Book to which reference is made. In cases where matter was published in more than one previous issue, the volume and page for the last issue containing such matter are given.
